Sir:

I, RYUJI UENO, the undersigned, hereby declare and state:

1. I am the only inventor of the invention described and claimed in the above-identified application, and I am solely responsible (A) any disclosure of the present invention in U.S. Patent 6,583,174 and U.S. Provisional Application No. 60/159,549, the provisional application from which benefit is claimed in U.S. Patent 6,583,174, as well as (B) any disclosure of the present invention in WO 03/030912 A1 and U.S. Provisional Application Nos. 60/315,917 and 60/372,104, the provisional applications from which benefit is claimed in WO 03/030912 A1;

2. Although Tsuyoshi Habe and the undersigned are listed as co-inventors of U.S. Patent 6,583,174 and U.S. Provisional Application No. 60/159,549, Tsuyoshi Habe is not responsible for any disclosure of the present invention in that patent and provisional application, and did not make an inventive contribution to any claim of the present application;

3. Although John Cuppoletti and the undersigned are listed as co-inventors of WO 03/030912 A1 and U.S. Provisional Application Nos. 60/315,917 and 60/372,104, John Cuppoletti is not responsible for any disclosure of the present invention in that published application and those provisional applications, and did not make an inventive contribution to any claim of the present application.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
